

200%

*Peoplekeep.com, 2023

Cost to replace a highly trained employee by annual salary.

> 50%

*Willis Towers Watson, 2023

Organizations with difficulty retaining most valued employees.

Top 5 Reasons why people quit:

- opportunities to learn and grow
- quality of manager
- quality of management
- interest in type of work
- opportunities for advancement

*Amazon/workplace intelligence, 2023

Develop High Potential Employees Leadership Skills

To retain top talent, organizations today need to nurture their future leaders. By providing professional development opportunities to newly-promoted and high-potential employees, you gain the dual advantage of fulfilling their professional development needs with improved leadership capabilities.

Emerging Leaders Cohort

Participants will learn key leadership skills through individual mastery and group learning with topics such as:

- Leadership Styles
- Goal Setting
- Effective Communication
- Influencing Change
- Coaching Behaviors

More than just a training class

Each cohort is a six-month program that includes:

- Two-day leadership boot camp
- Six 1/2 day workshops
- Bi-weekly one-on-one coaching
